360 True Light

Universal - all adapters included

360 TRUE LIGHT You can apply it on the spray guns, easily with the included adapters, to illuminate (12000lx at spraying distance) the surface while painting, it gives you an optimum live feedback for coverage and thanks to the high resolution color rendering of the LEDs, the light is as similar as possible to sunlight, thus guaranteeing you the best painting results both in terms of base color check, and best lighting even in darker areas. With 360 TRUE LIGHT you can also adjust the light intensity according to operational needs.
SKU: 60172

4x times more bright than competitors 12000 lux at 12 cm.

Includes 5 universal air cap ring adapters to fit most of the spray guns.

Improved CRI to 98

The high quality of the led and the interpolation of power, allow us to obtain a 98 CRI, the closest result to the solar light. That's why 360 TRUE LIGHT Evo Meter will be your best ally for color matching. CRI (Color Rendering Index), varies on a scale from 0 to 100, where 0 is the minimum value and 100 is the maximum value, which is the color rendering of natural sunlight.

Replacement spray stage lenses for true 360 light. Pack of 10.

Paint remover is the best cleaning solution for overspray mistakes.

360 True Light Evo Meter

Universal - all adapters included

The first light and integrated distance digital meter. Set your distance and keep it in control. Set spray distance, display shows it in real time as well as battery stamina and light intensity. Real time feedback with arrows to indicate if too close or too far from preset. Go-pro compatible integrated system -included magnetic kit for standalone use. True sun light for easier mottle control and color match checking.
SKU: 60176

The first light and integrated distance digital meter. Set your distance and keep it in control. Set spray distance, display shows it in real time as well as battery stamina and light intensity. Real time feedback with arrows to indicate if too close or too far from preset. Go-pro compatible integrated system -included magnetic kit for standalone use. True sun light for easier mottle control and color match checking.

- New motherboard and CPU
- Improved battery performance by 45%
- Improved CRI to 97
- 4 times more lux than competition
- 5 universal air cap ring adapters to fit most of the spray guns
- Rechargeable li-on battery 2h40 duration at max power
- Adjustable brightness
- Protective and replaceable matte lens (10 pk lens) #90240
- USB-C

Improved CRI to 98
