Paint Remover

Ideal for Walcom cleaning lenses and mask visor, spray booth glasses-metal-plastic over spray and residuals. Walcom paint remover is a solution for overspray from spray painting mistakes without buffing and polishing, it can easily remove fresh paint (ideal for the Walcom 360 true light lenses), it can be used for tree sap, tar, asphalt and roadway paint. It works for permanent marker. Do not allow the material to dwell for extended periods of time and clean with a wet cloth after obtaining the desired effect. Product based on propylene glycol ethers with powerful breaking molecule formula, it does not contain solvent or VOC. 200ml - 6.8oz
SKU: 90261

Fan Jet Stand

Fan Jet Stand offers a selection of products ideal for drying bases. Featuring lightweight engineering, exceptional performance, and a focus on sustainability, it is a cutting-edge system that provides: - 40% less drying time classic Venturi systems, due to the special arc shape of the nozzle and evenly distributed airflow; - 50% lower air consumption; - 30% weight reduction and 15% lower noise. For ultimate convenience, units are offered in manual, magnetic-coupled manual, and adjustable support versions.
